

- The primary purpose of the donations program at CAREA is to maintain good public relations, keeping in mind that the association is an at-cost organization.
- Donations shall only be made to recognized charitable or volunteer organizations.
- Priority will be given to those organizations that fall within rural Alberta and the CAREA service area.
- Consideration may be given to those “urban” communities or organizations that fall within the boundaries of the CAREA service area.
- The magnitude of the public relations benefit to CAREA will be one of the determining factors when reviewing donation requests.
- Priority will be given to those organizations that foster growth and development of youth, help the underprivileged and community development.
- Donations are distributed yearly on a first-come, first-served basis until the annual budget allotment is depleted.
- A minimum of two weeks is required to process a donation request.
